Other income	109.77	55.78
Profit before interest and depreciation	400.69	(146.56)
Less: Interest	897.47	897.89
Less: Depreciation	1352.73	1372.68
Profit/(Loss) before taxation	(1849.51)	(2417.13)
Less : Provision for taxation including deferred tax liability	(45.06)	(36.98)
Less: short provision of earlier years	0.00	0.96
Net Profit/(Loss) after taxation	(1804.45)	(2455.07)
Less: Capital Redemption Reserve	0.00	150.00
Add: Surplus Brought Forward from previous years	1194.95	3800.02
Balance carried to Balance Sheet	(609.50)	1194.95

OPERATIONS:

During the year 2013-14, your Company witnessed reduced performance. While, our revenues increased by 16.13% over the previous year, Rs.710.31 Lakhs of cash loss was incurred due to drop in margins and lower demand for the cement in the cement division.

Cement Division: Production of Cement and Clinker were 3,95,268 MTS and 3,54,323 MTS respectively during the twelve months ended 31st March, 2014 as against 3,29,357 MTS and 2,96,770 MTS respectively during the previous year. In view of strained cash flows, the finance facilities (working capital and term loans) of the company availed from the Canara Bank, Andhra Bank and Indian Bank has been restructured to align the future cash flows. The same was discussed elaborately elsewhere in the Annual report.

During the year under review 67% of the installed

capacity of the Company was utilised.

Wind Power: The Company has generated 35,36,160 units as against 32,76,684 units during the previous year.

Electronic Division: The Company has produced 2028 sq.mts of Printed Circuit Boards as against 2233 sq.mts during the previous year.

FUTURE PROSPECTS:

CEMENT DIVISION:

India's potential in infrastructure is vast and cement plays a vital role in the growth and development of the nation. India is the second largest producer of cement in the world. The cement industry has been expanding on the back of increasing infrastructure activities and demand from housing sector over the past many years. An investment allowance for infrastructure projects of Rs 100 crore (US\$ 16.05 million) and above has also been announced by the Government. In addition, cement production in India is expected to touch 407 million tonnes (MT) by 2020.

The Sudden burst in capacity expansion in the industry situated in southern region coupled with low demand growth led to fierce competition for market share which resulted in prices dropping to unremunerative levels. The Company also continues to concentrate on cost reduction measures in all areas of production and distribution to protect and improve its profitability. However, exorbitant increase in input prices and frequent power holidays are the major constraints to sustain in the market. However, with the bifurcation of Andhra Pradesh into state of Telangana and residuary state of Andhra Pradesh, the construction of new capital and other development measures of the both the states as specified in the Andhra Pradesh Reorganization Act 2013 shall spurt enormous demand for the cement and other infrastructure related products. As such, the coming year's performance is estimated to be good. Despite of few adverse conditions, your Directors are hopeful that the performance of the company would achieve satisfactory level.

ELECTRONIC DIVISION:

The improvement shown in the sales turn over of electronics division is satisfactory. Development of prototypes for new customers in the high-end automobile segment was done during the year. The division expects to improve its customer base in the automobile segment in the years to come. Supply of PCBs for Konkurs missile program is completed

for the existing requirements and development of flexi cables for Invar missile program is underway. The division is exploring further opportunities in the defense sector to improve business in the near future.

The division was identified as one of the potential vendors for developing Gas Electron Multiplier (GEM) foils by European Organization for Nuclear Research (CERN) for their Compact Muon Solenoid (CMS) division. Senior Executives of your company visited CERN, Switzerland during the year on CERN's invitation, for discussions. GEM foils are expected to be developed by electronics division in a time frame of two years. Apart from their present use in scientific experiments at CERN, GEMs are likely to find applications in medical imaging and other areas.

SUGAR DIVISION:

The Company has planned to install 3500 TPD integrated sugar mill, 50 KLPD ethanol Plant and 20 MW Co-generation power plant with an estimated cost of 319.92 Crores at Mosttor Village, Yadgir Dist in the state of Karnataka. Order for project preplanning has been given to M/s. MITCON Consultancy Services Limited. The Company has secured In-principle approval from the Government of Karnataka for establishing the integrated sugar project. The company has purchased Acres 97 and 19 gunats of land for establishment of the project. The requisite approvals under Environment laws and other project related statutory compliance are under progress. Considering the operational difficulties, the Chief Director (Sugar), Department of Food and public distribution, Ministry of Consumer affairs, New Delhi has extended the validity period of our Industrial Entrepreneurs Memorandum (IEM) up to 27-07-2014 whereby the unit should be commissioned and achieve the commercial production. The financial syndication for sugar division becomes a tedious task for the company in view of weak performance of cement division in general and the lackluster performance of sugar industry. In view of the adverse market for sugar industry and on going cash crunch in the company, could not take "effective steps" as defined in sugar control order to implement the sugar project.

DIRECTORS:

In accordance with the provisions of Companies Act, 1956 Sri. J Sivarama Prasad Non Executive Director of the Company would retire by rotation and, being eligible, offer himself for re-appointment. In view of new legislative changes, we have received

proposals from the shareholders for reappointment of Sri E Siva sankaram, Sri BV Subbaiah and Sri K Harishchandra Prasad non executive directors as Independent directors of the Company in the ensuing Annual General meeting in accordance with Section 149 of the Companies Act, 2013 and clause 49 of the listing agreement for a period of five years. The profiles of the reappointed directors are mentioned elsewhere in the report.

DIVIDEND:

In view of severe cash losses, your Board could not recommend any dividend for the financial year 2013-2014.

REDEEMABLE PREFERENTIAL SHARES:

The second installment of Rs.35/- each on first tranche of 500000, 9% non convertible redeemable preferential shares of Rs.100/-each could not be paid on due date, due to no accumulated profits and adverse market for issue of new preferential shares. Your directors are taking steps for extension of period of redemption of 9 % redeemable preferential shares by 3 more years for which preferential shareholder has kindly agreed. The company will initiate postal ballot process to secure the necessary consent from the equity shareholders for extending the period of redemption of 9 % redeemable preferential shares by 3 more years.

DEMAT OF SHARES:

The Equity Shares of your Company have been admitted by CDSL/NSDL for dematerialisation. All the Shareholders whose shares are in physical mode are requested to dematerialize their share holding through their depository participants so that it will improve the liquidity of our stock. The Board pleased to inform that in compliance with clause 5A of the listing agreement entered with Bombay Stock Exchange Limited, the unclaimed equity shares were dematerialized and the same are lying in the DEMAT suspense account. Shareholders are requested to claim their shares in DEMAT form by submitting their claims to the Company/RTA.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Cement Division:

Industry Structure and Developments:

The Indian economic growth rate has been quite rapid compared to other emerging economies primarily due to higher reliance on domestic demand. The growth trajectory is expected to continue on the back of strong domestic demand and huge outlay on infrastructure planned by the Government. The long-term domestic outlook remains buoyant with the progressive reforms, increasing FDI, robust investments, growing incomes and aspirations. India being one of the major producers of cement and the demand is largely based on Infrastructure Projects, Urban development and housing, Roads and Buildings, Ports etc., However, the cost of the raw material and fuel namely Limestone, Coal, Power and Freight charges are all controlled by the Government and any increase in the price of the above mentioned items affects the cost of the production on which the company does not have any control. Thus, industry has been to in ups and downs. The Government spending on infrastructure is likely to benefit the revenue and earnings of all the cement companies across the country. The industry has a capacity of 324 million tonnes per annum (mtpa) and operates at 75-80 per cent utilization, due to weak cement demand from realty and infrastructure sectors. The retail price for cement, which was hovering around Rs 250 in the month of Feb 2013, fell to Rs 190-210 by the middle of this year. It subsequently decreased and today the price is stands in the range of Rs 170-Rs 200.

Opportunities and Threats:

The demand will be driven by Government's continued thrust on infrastructure development and to boost rural and housing sector. Infrastructure development is need of the nation; this along with rising housing provision will accelerate construction activity. Recovery of the global scenario could also provide impetus to economic growth and Cement demand. The Operations of Cement companies' in Andhra Pradesh suffers due to lower realizations and lower demand in the state. The state has seen newer players and also the existing players expanding capacities due to huge availability of limestone, which is the primary material for cement.

The drying up of Government contracts through irrigation, infrastructure and housing programmes, was a major reason for hitting the industry. We

presume that the Bifurcation of erstwhile state of Andhra Pradesh into Telangna and residuary state of Andhra Pradesh will impetus the growth of cement consumption during the year.

Concerns of the Indian Cement Industry are high cost of Power and Coal, high freight cost, inadequate infrastructure, non availability of Wagons, and poor quality of coal and heavy taxes / royalty levies.

Electronic Division:

Industry Structure and Developments:

Your Company is one of the few companies specialized in manufacturing flexible printed circuit boards in India. The Electronic Industry is looking up and doing well, giving a scope for PCB industry to expand. There appears to be some improvement in the usage of flex circuits in India as new designers have started involving them for prototype manufacturing. Bulk requirements, however will be a reality, only after successfully completing the trials. Volumes of flexible PCBs being sold by your company as import substitute will increase , with exports and with the growth of the electronic industry.

Opportunities and Threats:

Spreading into domestic market, as an import substitutes a major opportunity for the Company. However, due to fall in exports, there is a constraint on DTA eligibility. Therefore, the Company would have to make DTA sales by paying full Excise Duty, which is an additional burden on the margins. Undervaluation of our Indian rupee makes imported raw material prices dearer. Exploring business opportunities from automobile segment may bring some more business revenue but the margins would be reduced significantly due to the requirement of competitive pricing. Opportunities for making forays into business of complex design products like multilayer PCBs are available for the division. Supplies to EOUs have been the major component of sales of the division. There is always pressure on pricing of the product due to competition from other countries.

SEGMENT OR PRODUCT-WISE PERFORMANCE:

Segment-wise or product-wise performance has already been furnished elsewhere in this report.

OUTLOOK:

This has been discussed elsewhere in this Report.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The company is following a proper and adequate system of internal controls in respect of all its activities including safeguarding and protecting its assets against loss from unauthorized use of disposition. Further all transactions entered into by the company are duly authorized and recorded correctly. M/s. Pavuluri & Co., Chartered Accountants, Hyderabad has been working as the Internal Auditors of the company. The Internal Auditors are submitting reports to the company on a Quarterly basis.

FINANCIAL/OPERATIONAL PERFORMANCE:

This has been already discussed elsewhere in this Report.

HUMAN RESOURCES/INDUSTRIAL RELATIONS:

The company enjoys very cordial industrial relations, due to which there is very low employee/labour turnover in the company. You will be happy to note that ever since the inception of the Company, there were no strikes, lockouts, lay-offs, retrenchments, etc.

ACKNOWLEDGEMENTS:

Your Directors are thankful to Canara Bank, Somajiguda Branch, Andhra Bank, SCF Branch and Indian Bank, Main Branch, Koti for their continued support during the year under review and acknowledge with gratitude the help extended by the Central Government and Government of Telangana. Your directors also wish to place on record their appreciation of the services rendered and co-operation extended by the Workmen, Staff, Dealers, Customers and other concerned.

This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our Audit. We conducted our Audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether the financial statements are free from material misstatement.

An Audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the Auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing our opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion:

In our opinion and to the best of our inform and according to explanations given to us the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance sheet of the state of affairs of the Company as at March 31, 2014;
- b) In the case of the statement of profit and loss, of the loss for the year ended on that date; and
- c) In the case of the Cash flow statements, of the cash flow for the year ended on that date.

Emphasis of Matter:

We draw attention to Note No. 24.5 to the financial statements relating to confirmation of balances in respect of some of the trade receivables, loans & advances and trade payables. Our opinion is not qualified in respect of this matter.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:

- a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow statement dealt with by this report are in agreement with the books of account;
- d. in our opinion, the Balance sheet, Statement of Profit and Loss, and Cash flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Act;
- e. on the basis of Written representations received from the Directors as on March 31, 2014 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2014, from being appointed as a Director in terms of clause (g) of sub-section (1) of section 274 of the Act;
- f. Since the Central Government has not issued any notification as to the rate at which cess is to be paid under section 441A of the Companies Act 1956 nor has it issued any rules under the said section prescribing the manner in which such cess is to be paid, no cess is due and payable by the company.

ANNEXURE REFERRED TO IN PARAGRAPH 1 OF OUR REPORT OF EVEN DATE

Statement on the Companies (Auditor's Report) Order, 2003

Re: KEERTHI INDUSTRIES LIMITED

1.
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) All the assets have not been physically verified by the management during the year, but there is a regular program of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of the assets. No material discrepancies were noticed on such verification.
 - c) During the year, the Company has not disposed off any of its fixed assets that would affect the going concern status of the Company.
2.
 - a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
 - b) In our opinion, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
 - c) The Company is maintaining proper records of inventory. The discrepancies noticed on physical verification between the physical stocks and book records were not material.
3.
 - a) The Company has not granted any unsecured loans to Companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Hence, clauses (iii) (a) to (d) of the said order are not applicable.
 - b) The Company had taken unsecured loans from two bodies Corporate and from two parties covered in the register maintained under Section 301 of the Companies Act, 1956. The maximum amount involved during the year and the closing balance was Rs. 1179.99 lakhs;
 - c) In our opinion, the terms and conditions on which loans have been taken are not, prima-facie, prejudicial to the interest of the Company.
 - d) Time schedule for repayment has not been fixed. Hence we cannot offer any comment on the over dues.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business with regard to purchase of inventory and fixed assets and with regard to sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weaknesses in internal control system.
5.
 - a) According to the information and explanations given to us by the Management, we are of the opinion that the particulars of contracts or arrangements referred to in section 301 of the Companies Act, 1956 have been entered in the register to be maintained under that section.
 - b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of contracts or arrangements entered in the register maintained under section 301 of the Companies Act, 1956 have been made at prices which are reasonable having regard to prevailing market prices at the relevant time.
6. The Company has not accepted deposits from the public within the meaning of the provisions of Section 58A, Section 58AA and the other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 1975 and hence the same are not applicable to the Company for the time being.
7. In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
8. We have broadly reviewed the books of account relating to materials, labour and other items of costs maintained by the Cement Division of the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 209 (1) (d) of the Companies Act, 1956 and are of the opinion that prime facie, the prescribed accounts and records have been made and maintained. .
9.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1. Basis of Preparation:

The financial statements have been prepared and presented under historical cost convention on accrual basis and comply in all material aspects with the Accounting Standards (AS) and the relevant provisions prescribed in the Companies Act, 1956, besides the pronouncements/guidelines of the Institute of Chartered Accountants of India and of the Securities and Exchange Board of India.

1.2. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current/non-current as per the Company's normal operating cycle and other criteria set out in Revised Schedule VI to the Companies Act, 1956.

1.3. Fixed Assets:

Fixed assets (Tangible and Intangible) are stated at cost, less accumulated depreciation /amortisation. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use.

1.4. Treatment of Expenditure during Construction Period:

Expenditure during construction period is included under capital work-in-progress and the same is allocated to the respective fixed assets on the completion of construction.

1.5. Borrowing Cost:

Interest and other costs in connection with the borrowing of funds to the extent attributable to the acquisition or construction of a qualifying fixed asset are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

1.6. Depreciation:

- i) Depreciation is provided on Straight Line method on the assets other than office equipment, furniture & fixtures and vehicles of Cement Division, on which depreciation is provided on written Down Value Method in accordance with Schedule XIV to the Companies Act, 1956.
- ii) Upfront lease amount in respect of leasehold land is amortised over the period of lease.

1.7. Inventories:

Inventories are valued at the lower of cost and net realisable value. The cost is computed on weighted- average basis. In case of sale of raw material/stores the proceeds are credited to their respective heads.

1.8. Revenue Recognition:

Sales revenue is recognised on transfer of the significant risks and rewards of ownership of the goods to the buyer and stated inclusive of duties and taxes collected, net of trade discounts and rebates.

1.9. Retirement benefits:

- a. Provident fund contributions are remitted to Provident Fund Commissioner and the Contributions are charged to revenue.
- b. Provision for gratuity and leave encashment is made on the basis of an actuarial valuation which is done as per Projected Unit Credit Method at the end of each financial year.

1.10. Provisions/Contingencies:

A provision is recognised when there is a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined (as provided/charged to the Statement of Profit and Loss) based on estimate of the amount required to settle the obligation at the Balance Sheet date and are not discounted to present value.

Contingent liabilities are not recognised but are disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.
